## Summary

An enthusiastic sophomore pursuing a B.Tech in Information Technology at IIIT Bhubaneswar, with a strong passion for problem-solving and competitive programming. I've successfully solved over 500 problems on Codeforces, achieving a maximum streak of 99 consecutive days, and hold a Specialist rating. Additionally, I am a 3-star rated programmer on CodeChef.

My experience in these platforms has honed my analytical and algorithmic thinking, allowing me to approach complex challenges with logic and efficiency. I am dedicated to continuous learning and am eager to apply my skills in software development. I look forward to connecting with professionals and exploring opportunities that align with my interests in technology and competitive programming.
